

HOW TO GET INVOLVED IN DHCT

Conserving the past, Enriching the future

Become a Friend We have over 300 Friends who support our objectives. We provide Church Crawls, which offer specialist interpretation of the architecture and stained glass. We also offer lecture lunches on related themes in the early part of the year. Friends application forms are available on our website.

Become a Local Representative The Local Rep is the key to the success of the Trust in fund-raising through R+S and in applying for a grant when necessary. Does your church have a Rep? If you would like to fill that role, please message postbox@dhct.org.uk or talk to your Deanery Area Rep.

Become a Deanery Area Representative Our Deanery Area Representatives provide help and advice to churches wishing to apply for a grant or join in with R+S. Send a message to postbox@dhct.org.uk or contact someone you know in the Trust.

Details of the Trust and its work can be found at www.dhct.org.uk
